Student's Initials:_____Date:_____
Initial only after you have had sufficient time to read and understand the information.

This program may result in freelance or self-employment.
The work available to graduates of this program is usually for freelance or self-employment.
This type of work may not be consistent.
The period of employment can range from one day to weeks to several months.
Hours worked in a day or week may be more or less than the traditional 8 hour work day or 40 hour work week.
You can expect to spend unpaid time expanding your networks, advertising, promoting your services, or honing your skills.
Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as placed for our job placement records.
Students initialing this disclosure understand that either a majority or all of this school's graduates are employed in this manner and understand what comprises this work style.

Student's Initials:_____Date:_____

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program was approved by the Bureau on 02/05/2026. As of 02/05/2028, two full years of data for this program will be available.

Definitions

1. "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
5. "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
8. "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completed a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam

by the number of graduates who took the reported licensing exam.

14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, by providing a written notice of cancellation to the Director of Marin School of Massage and the Healing Arts by any of the following means: (i) in person to the Director, (ii) email to info@marinschoolofmassage.com, or (iii) certified mail to our mailing address.

REFUND POLICY

The student has the right to a refund of all charges paid, less the non-refundable registration fee of $100.00, if the student cancels the enrollment agreement by attending the first class session or by the seventh day after enrollment, whichever is later. A refund of all charges includes any charges paid to MSMHA for used or opened equipment, textbooks, or materials. After the cancellation period, the student has the right to withdraw from the program at any time. If a student withdraws after the cancellation period and has completed 60 percent or less of the period of attendance, the institution shall issue a pro rata refund of unearned institutional charges pursuant to California Education Code section 94920(d) and 5 CCR section 71751(a)(3)(A). The non-refundable registration fee is identified as a non-refundable charge in the enrollment agreement.

If the student has completed more than 60 percent of the period of attendance, the institution has earned 100 percent of the institutional charges and no refund is due.

For purposes of determining the refund, the student shall be deemed to have withdrawn on the earliest of: (1) the date the student notifies the institution of withdrawal; (2) the date the institution terminates the student's enrollment due to failure to maintain satisfactory academic progress, failure to abide by the institution's rules, or failure to meet financial obligations; or (3) the last date of recorded attendance, if the student ceases to attend classes without an approved leave of absence.

Refunds shall be paid within 45 days of the student's date of cancellation or withdrawal.

For a stand-alone course, the period of attendance is that course, and any refund is calculated on that course’s tuition and hours.
